Notes to Financial Statements	10-21

## **Independent Auditor's Report**

To the Board of Directors Road Runners Club of America, Inc.

## **Opinion**

We have audited the accompanying financial statements of Road Runners Club of America, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Road Runners Club of America, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Road Runners Club of America, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Prior Period Financial Statements**

The financial statements of Road Runners Club of America, Inc. as of December 31, 2021 were audited by other auditors whose report dated May 12, 2022 expressed an unmodified opinion on those statements.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Road Runners Club of America, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Independent Auditor's Report (Continued)**

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Road Runners Club of America, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the
  aggregate, that raise substantial doubt about Road Runners Club of America, Inc.'s
  ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Gross, Mendelsohn & Associates, P.A.

# Note 1: Nature of Organization and Summary of Significant Accounting Policies

Road Runners Club of America, Inc. ("RRCA") is a 501(c)(3) organization incorporated in 1976 under the laws of the state of Virginia. Established in 1958, the Road Runners Club of America is the oldest and largest national association of runners and running organizations dedicated to growing the sport of running. The Organization's main mission is to champion the development and success of community-based running organizations that empower people to participate in the sport of running in pursuit of enjoyment, health, well-being and competition.

The accounting and reporting policies of RRCA conform to accounting principles generally accepted in the United States of America. Following is a description of the most significant of those policies:

<u>Basis of Accounting</u>: The accompanying financial statements are presented in accordance with the accrual basis of accounting, whereby, revenue is recognized when earned and expenses are recognized when incurred.

<u>Use of Estimates</u>: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

<u>Investments</u>: Investments with readily determinable fair value are reported at fair value in the statements of financial position. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Realized and unrealized gains and losses are included in net investment return on the statements of activities as increases or decreases in net assets without donor restrictions, unless the income or loss is restricted by donor restrictions or law.

<u>Accounts Receivable</u>: Accounts receivable are contracts with customers and are due in less than one year. RRCA provides a reserve for doubtful accounts based on periodic reviews by management. Receivables are written off by management when, in their determination, the receivables are delinquent, and all collection efforts have been exhausted. RRCA has not recorded an allowance for doubtful accounts, since in the opinion of management, all outstanding receivables are collectible.

<u>Inventory</u>: Inventory consists of books and other materials to be provided in conjunction with the Organization's coaching certification program and is stated at the lower of cost or net realizable value by the first-in-first-out (FIFO) method.

<u>Property and Depreciation</u>: Property is stated at cost or, if donated, at the approximate fair value at the date of donation. Expenditures for maintenance and routine repairs are charged to expense as incurred; expenditures for improvements and major repairs that materially extend the useful lives of assets are capitalized. RRCA's threshold for capitalization is any acquisition that meets the above criteria and is greater than or equal to \$750. Depreciation is computed using the straight-line method over the estimated useful lives of the assets identified below:

Furniture and fixtures 7 - 10 years
Web development 3 years
Course development 3 years

<u>Net Assets</u>: Net assets, revenue, support, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions: Net assets available for use in general operations and not subject to donor restrictions. As of December 31, 2022, RRCA maintained \$575,000 of board-designated funds. These funds are to be used for the Organization's expenditures and must be approved by the Board. During the years ended December 31, 2022 and 2021, no board-designated funds were used.

Net Assets with Donor Restrictions: Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

<u>Contributions</u>: Contributions received are recorded as without donor restrictions or with assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Revenue Recognition: RRCA is funded by various sources, such as corporations, foundations, and individuals. RRCA's policy is to recognize contributions of cash, securities, or other assets when an unconditional promise to give or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been met. Contributions are recorded as restricted support if they are received or promised with donor stipulations that limit the use of the donated assets to the Organization's programs or a future year. When a donor restriction expires, either by the passage of time or other events specified by the donor, net assets with donor restrictions are reclassified to net assets without donor restrictions in the accompanying statements of activities as net assets released from restrictions.

The Organization recognizes revenue from exchange transactions in accordance with Financial Accounting Standards Board (FASB) Accounting Standards ASU No 2014-09, Revenue from Contracts with Customers, as amended. ASU No. 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Organization records the following exchange transaction revenue in its statement of activities for the years ended December 31, 2022 an 2021:

Insurance Program: The Organization provides insurance for a set annual fee. The performance obligation consists of providing members with access to insurance benefits and is considered fulfilled upon the purchase of the policy. Insurance fees received in advance that are applicable to future periods are included in deferred revenue in the accompanying statements of financial position.

Coaching Certification: The Organization provides coaching and other programs, which allows members to receive certifications by completing a one time course and passing an exam. The performance obligations are the completion of the course and the taking of the exam. Revenue is recognized at a point in time, when the course is complete, or the applicant takes the exam. Course or exam fees related to future periods are included in deferred revenue in the accompanying statements of financial position.

Licensing: The Organization provides affordable group music licensing. The performance obligation consists of the obligation to provide members with access to music licensing for their event. The fees are based on the number of participants at an event and revenue is recognized at a point in time, when the event takes place. Fees received related to future periods are included in deferred revenue in the accompanying statements of financial position.

Dues: Membership dues, which is a set, nonrefundable, fee for annual dues, are comprised of an exchange element based on the value of benefits provided, and a contribution element for the difference between the total dues paid and the exchange element. The Organization recognizes the contribution element upon receipt of the dues. The exchange portion has a performance obligation that consists of an obligation to provide members with continuous access to information, insurance, programs, and use of the Organization's logo, and is recognized ratably over the period using the time elapsed method, and input measure, as it best depicts the simultaneous consumption and delivery of these services. These items are considered to be one performance obligation, as the included services are substantially the same and have a similar pattern of transfer. Membership dues received in advance that are applicable to future periods are included in deferred revenue in the accompanying statements of financial position.

Sponsorship and Special Programs: Special program revenue is for registration for the annual convention. The Organization also receives revenue for convention sponsorships. The performance obligation is access to the convention and the prices are set by the Organization. For sponsors, the performance obligation is recognition at the event and complimentary admission. Revenues from conventions are recognized at the time of the associated event. Registrations received relating to future periods are included in deferred revenue in the accompanying statements of financial position.

Publication Income: The Organization receives income from banner advertising. The performance obligation is the publishing of the ad and the price for the advertising is set by the Organization. Revenues from publication income are recognized at the time of the publication.

Refunds are provided in the case of overpayment of membership dues or insurance fees. Generally, no insurance or music license refunds are provided for event cancellations. Refunds for coaching courses are provided for cancellations up to two weeks prior to the course date.

The timing of revenue recognition, billings and cash collections results in billed accounts receivable and deferred revenue on the accompanying statements of financial position. Coaching certification, licensing and special program revenues are invoiced at the time of the participant's registration with fees being collected prior to the event. Sponsorships are invoiced at the time of the sponsor agreement with fees due 30 days after the invoice date. Insurance program and membership dues are invoiced annually and the fees due within 30 days of the invoice.

In-Kind Contributions: Donated materials, services, and use of facilities are recorded at their estimated fair value when an unconditional commitment is received and is recognized as in-kind contributions. Contributions of services are recognized when services received create or enhance nonfinancial assets, or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. In-kind contributions are valued at fair market value as of the date of the gift. The value of materials donated to RRCA was \$2,333 and \$1,433 for the years ended December 31, 2022 and 2021, respectively. The corresponding expenses are recorded in the appropriate expense categories in the statements of functional expenses.

Income Taxes: RRCA is exempt from federal and state income taxes under Internal Revenue Code §501(c)(3). Income that is not related to exempt purposes, less applicable deductions, is subject to federal and state income taxes. RRCA had no unrelated business income for either of the years ended December 31, 2022 or 2021. Accordingly, no provision for income taxes is reflected in these financial statements. RRCA's federal exempt organization tax returns are subject to examination by the Internal Revenue Service, generally for a period of three years after the returns are filed.

<u>Functional Allocation of Expenses</u>: The costs of providing various programs and other support activities have been summarized on a functional basis in the statements of activities and by natural classification in the statements of functional expenses. Costs that can be identified with specific programs or support services are allocated directly. Costs that cannot be specifically identified with a particular function and that benefit more than one functional category are allocated, generally based on estimates of the portion of time expended by the staff on the various functions.

Recently Issued Accounting Pronouncements: The Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases*, which was effective for fiscal years beginning after December 15, 2021. The distinction between finance leases (previously capital leases) and operating leases is substantially similar to the distinction between capital leases and operating leases in the previous guidance on leases. Lessor accounting is also largely unchanged. For lessees, leases under both categories will be reported on the statement of financial position as a depreciable right-of-use (ROU) asset and a related liability to make lease payments. The asset and liability should be initially measured at the present value of the lease payments, including any payments to be made in lease option periods only if the lessee is reasonably certain to exercise an option to extend the lease or not to exercise an option to terminate the lease. The ROU asset will be amortized over the term of the lease and the lease liability will be reduced by lease payments.

The Organization evaluates each contract and determines if an arrangement contains a lease at the inception of a contract. As permitted under the ASU, the Organization has elected not to record short-term leases with initial contract terms of 12 months or less on the balance sheets. Short term lease costs for the year ended December 31, 2022 was \$71,719. The Organization accounts for lease components and non-lease components as a single lease component. Variable lease payment amounts that cannot be determined at the commencement of the lease such as increases in lease payments based on changes in index rates or usage are not included in the ROU or lease liabilities. These are expensed as incurred. The Organization has elected to use the risk-free rate to discount the lease payments for all classes of ROU. The Organization had adopted the new lease standard effective as of January 1, 2022.

In September 2020, the FASB issued ASU No. 2020-07, Not-for-Profit Entities (Topic 958), Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets which is effective for fiscal years beginning after June 15, 2021. This ASU requires that contributed nonfinancial assets be reported as a separate line item in the statement of operations and changes in net assets, as well as disclose the disaggregation of the contributed nonfinancial assets recognized by type, whether they are monetized or utilized during the reporting period, and if utilized, the programs or other activities in which these contributed nonfinancial assets were used. Management has adopted and implemented this standard.

<u>Reclassifications</u>: Certain amounts previously reported in the financial statements for the year ended December 31, 2021, have been reclassified to conform to the financial statement presentation for the year ended December 31, 2022. These changes had no effect on previously reported net assets or changes to net assets.

<u>Subsequent Events</u>: In preparing these financial statements, RRCA has evaluated events and transactions for potential recognition or disclosure through April 4, 2023, the date the financial statements were available to be issued. During the period from January 1, 2023 through April 4, 2023, RRCA did not have any material recognizable subsequent events.

# Note 2: Liquidity and Availability of Funds

A summary of the financial assets available for the general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of the financial position date comprise the following:

	2022	2021
Cash Investments Accounts receivable	\$ 1,079,084 2,095,672 6,839	\$ 936,108 2,478,900 -0-
Total financial assets	3,181,595	3,415,008
Less:		
Board-designated investments, reserves	(575,000)	(575,000)
Endowment funds	(10,000)	(10,000)
Net assets with donor restrictions	(49,232)	(44,520)
Financial assets available to meet cash needs for general expenditures within one year	\$ 2,547,363	\$ 2,785,488

RRCA's goal is to maintain financial assets to meet 10 months of operating reserves, approximately \$500,000. The Board examines this amount annually to determine if additional funds should be designated to operating reserves, or if the reserves will be allocated for operational or programmatic purposes. The Organization's policy is that the board designated fund should be no less than six months, or \$250,000, of basic operating reserves. Cash in excess of operating reserves is invested in short-term investments.

## **Note 3: Investments**

A summary of the investment portfolio is as follows at December 31, 2022 and 2021:

	20	)22	2021					
	Fair Value	Cost	Fair Value	Cost				
Money market funds	\$ 445,004	\$ 445,004	\$ 519,483	\$ 519,483				
Equities	1,246,158	710,011	1,638,786	638,283				
Corporate bonds	198,676	225,241	170,142	166,262				
Exchange traded funds	205,834	256,637	150,489	137,044				
Total	\$ 2,095,672	\$ 1,636,893	\$ 2,478,900	\$ 1,461,072				

Investments are reflected in the statement of financial position at December 31, 2022 and 2021 as:

	2022	2021
Investments Investments - Board designated and	\$ 1,510,672	\$ 1,893,900
restricted in perpetuity	585,000	585,000
	\$ 2,095,672	\$ 2,478,900

## Note 3: Investments (Continued)

Net investment return is summarized as follows for the years ended December 31, 2022 and 2021:

		2022	2021
Investment income	\$	36,312	\$ 31,277
Investment expenses		(8,515)	(8,320)
Net realized gain		148,959	132,807
Unrealized gain (loss)		(559,796)	181,830
Total	_\$	(383,040)	\$ 337,594

### Note 4: Deferred Revenue

Deferred revenues consist of the following at December 31, 2022 and 2021:

	2022		2021
Deferred revenue			
Insurance revenue	\$	608,937	\$ 492,031
Membership dues		264,850	230,922
Coaching		35,175	-0-
Sponsorships		19,410	11,795
Licensing income		75,981	62,077
	\$	1,004,353	\$ 796,825

#### Note 5: Fair Value Measurement

Generally accepted accounting principles (GAAP) provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# Note 5: Fair Value Measurement (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The valuation techniques used by RRCA include the following:

<u>Equities</u>: Valued at the last sales price reported in the active market in which the individual fund is traded.

<u>Corporate Bonds</u>: The investment grade corporate bonds held by the Organization generally do not trade in the active markets on the measurement date. Therefore, corporate debt securities are valued using inputs including yields currently available on comparable securities of issues with similar credit rates, recent market price quotations (where observable), bond spreads, and fundamental data relating to the issuer.

<u>Exchange Traded Funds</u>: Valued at the last sales price reported in the active market in which the individual fund is traded.

In determining the appropriate levels, RRCA performs a detailed analysis of the assets and liabilities that are subject to fair value measurements.

The table below presents the balances of investments as of December 31, 2022, measured at fair value on a recurring basis by level within the hierarchy:

	Total	Level 1	Level 2	Level 3
Equities	\$ 1,246,158	\$ 1,246,158	\$ -0-	\$ -0-
Corporate bonds	198,676	-0-	198,676	-0-
Exchange traded funds	205,834	205,834	-0-	-0-
Total assets at fair value	1,650,668	\$ 1,451,992	\$ 198,676	\$ -0-
Money market, reported at cost	445,004			
Total investments	\$ 2,095,672	<u>.</u>		

The table below presents the balances of investments as of December 31, 2021, measured at fair value on a recurring basis by level within the hierarchy:

	Total	Level 1	Level 2	Level 3
Equities Corporate bonds Exchange traded funds	\$ 1,000,899 170,142 788,376	\$ 1,000,899 -0- 788,376	\$ -0- 170,142 -0-	\$ -0- -0- -0-
Total assets at fair value	1,959,417	\$ 1,789,275	\$ 170,142	\$ -0-
Money market, reported at cost	519,483			
Total investments	\$ 2,478,900	:		

#### Note 6: Endowment Funds

The Financial Accounting Standards Board (FASB) has issued guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). The State of Virginia has enacted UPMIFA. The FASB guidance also requires additional disclosures about an organization's funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA.

The Organization's endowment consists of donor restricted funds whose purpose is to provide long-term support for RRCA's programs. Endowment funds are classified as net assets with or without donor restrictions depending on which classification is determined by the donors and, where applicable, the provisions of the laws of the State of Virginia. The portion of donor-restricted endowment funds that can be spent are classified as net assets with donor restriction until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA and the stipulations imposed by the original donor. In accordance with UPMIFA, the Organization considers the following factors in making a determination to the appropriate or accumulate donor-restricted funds: (1) duration and preservation of the fund; (2) purposes of the Organization and the donor-restricted endowment fund; (3) general economic conditions; (4) other resources of the Organization; and (5) investment policies of the Organization.

Endowment net asset as of December 31, 2022 and 2021 is as follows:

	2022		2021	
Balance January 1 Investment income, net Appropriation of expenditure	\$	10,000 -0- -0-	\$	10,000 1,540 (1,540)
Balance, December 31	\$	10,000	\$	10,000

## Note 7: Net Assets

As of December 31, 2022 and 2021, RRCA's board designated net assets are available for the following purposes:

	2022	2021
Undesignated	\$ 1,519,594	\$ 2,029,332
Board-designated		
Operating reserve fund	500,000	500,000
Kids Run the Nation	25,000	25,000
RunPro Roads Scholars	25,000	25,000
State Reps fund	25,000	25,000
Total board-designated	575,000	575,000
Total net assets without donor restrictions	\$ 2,094,594	\$ 2,604,332

# Note 7: Net Assets (Continued)

As of December 31, 2022 and 2021, RRCA's net assets with donor restrictions are available for the following purposes:

	2022		2021	
Subject to expenditure for specified purpose: Kid Run the Nation Roads Scholars Road Runners Club Fund	\$	34,630 -0- 14,602	\$	39,292 5,228 -0-
Total		49,232		44,520
Held in perpetuity: Endowment		10,000		10,000
Total net assets with donor restrictions	\$	59,232	\$	54,520

#### Note 8: Net Assets Released from Restrictions

Net assets were released from donor restrictions during the years ended December 31, 2022 and 2021, respectively, by incurring expenses satisfying the restricted purposes or by occurrence of other events by donors are as follows:

	 2022	2021
Kids Run the Nation Roads Scholars	\$ 30,330 9,972	\$ 14,500 23,000
	\$ 40,302	\$ 37,500

#### Note 9: Retirement Plan

RRCA has a SEP-IRA retirement plan available for all employees. Employees may contribute to the plan through elective deferrals of salary up to the limitation specified by the IRS. The organization makes automatic 3% contributions on a quarterly basis. The Organization contributed \$10,548 and \$10,099 in matching contributions for the years ended December 31, 2022 and 2021, respectively.

#### Note 10: Leases

The Organization leases a piece of equipment and its office space under non-cancellable operating lease agreements that expire in 2024. All leases require monthly payments. As of January 1, 2022, the Organization has recorded a right-of-use asset for \$157,427, which is being amortized over the lives of the leases and an off-setting lease liability of \$157,427.

The Organization's total lease expense for the year ended December 31, 2022 was \$85,284. Rent expense for 2021 prior to the adoption of ASC 842 leases was \$83,978.

## Note 10: Leases (Continued)

As of December 31, 2022, the right-of-use assets and operating lease liabilities related to operating leases were as follows:

Operating lease right-of-use assets, net	\$ 87,938
Operating lease liabilities: Current portion of operating lease liabilities Operating lease liabilities, net of current portion	\$ 73,056 18,741
	\$ 91,797
Other lease details are as follows:	
Weighted average remaining lease term in years Weighted average discount rate	1.25 0.79%

As of December 31, 2022, future minimum lease payments under operating leases are as follows:

Year Ending December 31:	
2023	\$ 73,471
2024	 18,754
	92,225
Less: Amount representing interest	 428
Present value of future minimum lease payments	\$ 91,797

### **Note 11: Revenue from Contracts with Customers**

The following table provides disaggregation of revenue from contracts with customers based on the timing of revenue recognition for the years ended December 31, 2022 and 2021:

	2022	2021
Revenue from contracts with customers recognized at a point in time:		
Insurance program	\$ 1,543,727	\$ 1,323,345
Coaching certification	437,419	460,820
Licensing income	193,372	114,900
Special programs	41,305	28,894
Sponsorships	29,000	28,500
Publications	244	483
Total revenue recognized at a point in time	2,245,067	1,956,942
Revenue from contracts with customers recognized over time:		
Membership dues	497,999	313,507
Total revenue from contracts with customers	\$ 2,743,066	\$ 2,270,449

# Note 11: Revenue from Contracts with Customers (Continued)

Various economic factors affect the recognition of revenue and cash flows, including the Organization's ability to run programs, hold events, and retain and attract members. No significant events occurred that had a material impact on the Organization's revenue recognition or cash flows for the years ended December 31, 2022 and 2021.

## Note 12: Note Payable, PPP Loan

RRCA applied for and received funds in the amount of \$65,028 under the Paycheck Protection Program (PPP), which was created as a result of the coronavirus pandemic. The proceeds were considered a forgivable loan, assuming certain qualified expenses, primarily payroll related expenses, were incurred during the periods of 8-weeks to 24-weeks, commencing on the date of the loan agreement (April 3, 2020). Any portion of this loan that did not qualify for forgiveness was subject to an interest rate of 1%. The organization applied for and received full forgiveness on December 28, 2020. The SBA granted the organization a second PPP loan on February 18, 2021, in the amount of \$65,027. RRCA applied for and received full forgiveness of the second PPP loan in September 2021, and recognized as income on the statement of activities for the year ended December 31, 2021.

#### Note 13: Other Matters

<u>Uninsured Deposits</u>: The Organization maintains its cash balances at one financial institution. Periodically during the year, the Organization's cash balances may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to significant risk on cash balances.

<u>Financial Risk</u>: The Organization's investment portfolio is a professionally managed portfolio that contains, mutual funds and exchange-traded funds. Such investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term could materially affect investment balances and the amounts reported in the financial statements

<u>National Health Emergency</u>: In March 2020, the President of the United States declared a national emergency due to a viral pandemic. The declaration of the national emergency and similar declarations made by various states, and the outbreak of the virus itself, have had far reaching social, economic, and financial impacts on the country. The pandemic continues, and at this time the impact on the operation and financial status of the RRCA cannot be determined.
